FREQUENTLY ASKED QUESTIONS

What are the program completion requirements?

To earn an A.S. in Digital Media/Multimedia Technology, students must complete the following:

1. Fulfill all academic requirements for the chosen program of study as outlined in the Florida State College at Jacksonville catalog and curriculum.
2. Earn a cumulative grade point average of 2.0 ("C") at Florida State College at Jacksonville in courses eligible toward the Associate in Science degree programs, excluding developmental education courses. (A.S. Florida State College at Jacksonville GPA).
3. Earn an all-college cumulative grade point average of 2.0 ("C") on a 4.0 scale on all courses attempted. This includes Florida State College at Jacksonville college-credit hours and transferred credits (excluding developmental education) in lower division courses. (All college cumulative.)
4. Complete a minimum of 25 percent of the total hours required for the program in residence at Florida State College at Jacksonville. Credit by examination and credit by portfolio development do not count toward this residency requirement.
5. Complete the required credit hours, as specified by the degree, of which a minimum of 15 credit hours must be General Education requirements.
6. Earn a grade of a "C" or better in each course used to satisfy the General Education requirements and any other area designated with a "C" or better requirement.
7. Fulfill all obligations, financial or otherwise, to the College before they may graduate.

Where are the educational courses held?

FSCJ South Campus, 11901 Beach Blvd., 32246
